## Friends Award Scholarship

Graduating seniors, Carl Constable (left) and Shaan Khan, enjoy some ice cream during their final Teen Advisory Board meeting in June.

The Friends of the South Huntington Public Library have awarded their annual scholarship to Shaan Khan, a recent graduate of Walt Whitman High School. He has been a member of the Library's Teen Advisory Board since 9th grade and has served on the Executive Board for the past two years. As part of TAB, he has participated in programs such as Winter Reading Carnival, Kids and Teens Together, Patient Zero:

Zombie Survival Training and Authors Unlimited at St. Joseph's College.

However, it has been his dedication for the past four years with the after school Homework Help program that stands out above the rest. Not only did Shaan help create and develop this program to assist children in grades K-6 with their homework, but also helped supervise, train and recruit the teen volunteers who made this program possible. His patience and kindness made him a popular volunteer among his peers and the children who attended this program. Congratulations!
