David T. Haussler, Sculptor

It is with great admiration and appreciation that we remember sculptor David Haussler, who passed away recently after a battle with cancer. His artwork remains an integral part of the library campus. In the Adult Library, terracotta fish swim in a black frame built to resemble an aquarium, and "First Steel Balance" is a familiar sight overlooking the outdoor garden. Visitors to the library enjoy "The Chase" under the tree on the front lawn. David was a longtime friend to the library, organizing "Read My LIPSS," the annual summer sculpture exhibit building.

 front row: Stella Fox, Kathleen Rea

Thank You for Your Support!

South Huntington voters overwhelmingly approved the library's 2017-18 operating budget, 268-30. Trustee Kate Rea was re-elected to a five-year term with 288 votes. Many thanks to all who voted. Kids had fun on Budget Vote Day, celebrating the theme "Libraries Transform" by doing butterfly and Transformer crafts, taking photos at the selfie station and more. They also voted for what they would most like to transform into. Butterfly was

the winner, followed by robot, bird, tree and frog. Adults who voted were eligible for a free raffle sponsored by the Friends of the Library. Winners were Evelyn Gose, iPad Mini; A.J. Olsen, Kindle Paperwhite; Steve Siegler, Chromecast; and Alexandra Teixeira, Chromecast. Thanks to your support of the budget, the library will continue to provide both traditional and innovative library services to residents of the South Huntington School District.

1,000 BOOKS BEFORE KINDERGARTEN

This Library program encourages South Huntington families to read 1,000 books with their young children before they enter kindergarten. The concept is simple, the rewards are priceless. Read a book (any book) to your infant, toddler, and/or preschooler. The goal is to read 1,000 books (yes, you can repeat books) before your child starts kindergarten. If you read just one book a night, you will have read 365 books in a year. That is 730 books in two years and

1,095 books in three years. If you consider that most children start kindergarten at around 5 years of age, you have more time than you think.

Research shows that reading aloud with your children helps to strengthen their language skills and build their vocabulary – two important tools for beginning to learn to read when they enter kindergarten. Register at the Children's Desk and pick up your first reading log in order to begin.
