

Download 3M eBooks to an iPad

1. (One-time) Install the 3M Cloud Library app from your iPad App Store:
2. Tap the green Connect to Library button
 - Select United States—tap Next
 - Select State—New York —tap Next
 - Select Library—Suffolk Public Libraries—tap Next
 - Enter your library barcode (no spaces)
 - Accept the End User License Agreement

You will be automatically transferred to the 3M Live-brary shelves where you may select a book.

Tap on the book you wish to check out and then tap on the green Check Out button.

You will automatically be transferred to the book you selected for reading. Enjoy!

Note: The bottom of your 3M screen has four options. They are:

- Shelves: Where you may browse through books on shelves.
- Categories: Browse for books by category.
- Search: Allows you to search by specific keywords.
- My Books: This is where you can view the books you have checked out and the books you have on hold. You can check out a maximum of five titles in 3M. This is in addition to the five titles you are permitted to check out in Overdrive.

Note: 3M is a supplement to the downloadable books available through Overdrive.
