

Download eBooks to an iPad/iTouch

You will need a valid library card, wireless access, an Adobe.com account, an Apple ID, and your iPad or iTouch.

1. Start up Your iPad/iTouch...

- Make sure your wireless is on, then tap on the Safari browser for the Internet.
- If you don't have one, set up an Adobe account at www.adobe.com.
- Tap on the "App Store" app on your device. Tap on the "Featured" link on the bottom left.
- In the upper right-hand corner, type "OverDrive Media Console" into the search box.
- Select the "Overdrive Media Console" app and tap on the "Free" (or "install") button.
- Enter your Apple ID and password when prompted, and then tap "OK".

2. Install the Overdrive app...

- After the "Overdrive" app has been installed, tap on the Overdrive icon to open it.
- If using this for the first time, you may get the message, "To read Adobe eBooks, you must first authorize this application with your Adobe ID" Since you have already created your Adobe account (step 1), tap on "Sign In" and enter your Adobe ID and Password where prompted, and then tap "Authorize".
- Swipe down on the left-hand side of your screen to see the Overdrive options.
- Tap on + Add a library and enter our zip code, 11746, tap Search. Select South Huntington.
- Tap on Live-brary.com Downloads. You will be brought to the book selection area.

3. Find a Book at Live-brary.com...

- There are various ways to search for a book. One way is to tap on Advanced Search in the upper right-hand corner. Tap on All Formats and then tap on EPUB eBook. Scroll to the bottom and tap on Available Now. Tap on Search. The result will be all of the ePub books that are currently available for checkout.
- Another method for searching is to enter a book title or author name in the Search box.
- Tap on the cover of a desired book and then tap on the Borrow button.
- If prompted select your library from the scroll list, and then enter your barcode and sign-in.
- Tap on the blue Download box. Select Adobe EPUB eBook. Tap on Confirm & Download.
- You'll see a "loading message" and a "Title Added" message. Download done. Enjoy!

4. Where's My Book?

- Tap on the 3 parallel horizontal lines in the upper left.
- Tap on Bookshelf, and you should then see your checked out books. Tap on it to start reading.

5. To Delete or Return a Title.

- Tap on Bookshelf to see the books you have downloaded.
- Tap and hold your finger on the bookcover. The options to Delete, Return, and Share will be displayed. REMEMBER: If your book has not yet expired, you must RETURN it first, then DELETE it otherwise you will still have to wait until it expires. If the book has already expired, just tap the Delete option.
