Application to Amend Privileges of Minors

AUDIOVISUAL MATERIALS - Access to audiovisual materials is restricted for persons under 18 years of age. A parent or designated guardian may use this form to waive these restrictions, thereby granting their child permission to borrow / use Blu-Rays, DVDs, Videos, Video Games, Books on Tape/Disk and Playaways. It is the responsibility of the parent/guardian to monitor their child's selections.

I have read the statement above regarding AUDIOVISUAL MATERIALS and authorize the Library to extend audiovisual borrowing privileges to my child.

INTERNET ACCESS - The Library provides filtered access to the Internet. A parent or designated guardian may use this form to deny their child access to the Internet from Library computers. The library uses a Children's Internet Protection Act (CIPA) compliant content filter to block sites containing pornographic, gambling and hate speech content. Please be aware that content filters are not 100% fool-proof, and that with access comes the chance that some content may be considered inappropriate for some users.

DO NOT ALLOW my child to access the Internet on Library computers.
