

## So Big! ...Mud Puddles

### **Hello, How Are You?**

Hello, Hello. Hello, How are you?  
Hello, Hello. Hello. How are you?  
I'm good. I'm great. I'm wonderful.  
I'm good. I'm great. I'm wonderful.

### **Bread and Butter**

Bread and butter, jelly and jam.  
Let's say hello as loud as you can. Hello!  
Bread and butter, jelly and jam.  
Let's say hello as quiet as you can. Hello.

### **Wiggle Wiggle**

I wiggle my fingers, I wiggle my toes,  
I wiggle my shoulders, I wiggle my nose.  
Now no more wiggles are left in me.  
I'm as still as still can be.

### **Five Little Kiddos**

Five little kiddos, (hold up five fingers)  
Rolling in the mud, (roll hands)  
Mama picked up one kid, (pick with two fingers and drop)  
And dropped him in the tub.  
(count down to one)

Five little kiddos,  
Splashing in the tub (make splashing motions with hands)  
Smiling cause they're squeaky clean  
Rub a dub dub dub dub (rub hands together)

### **I Wish I Was a Little Blob of Mud**

Oh, I wish I were a little blob of mud, blob of mud.

Oh, I wish I were a little blob of mud, blob of mud.

I'd go gooey, gooey, gooey,

Over everybody's shoe.

Oh, I wish I were a little blob of mud, blob of mud.

Oh, I wish I were a little blob of mud, blob of mud.

Oh, I wish I were a little blob of mud, blob of mud.

I'd go ooze, ooze, ooze,

Under everybody's shoe.

Oh, I wish I were a little blob of mud, blob of mud.

### **Try Making a Butterfly Puddle!**

Butterflies visit puddles for water, but also for salt and minerals. They like to gather around the damp edges of puddles instead of landing in the water. Sometimes, their favorite spots are where water has already evaporated from a puddle but the ground is still moist. They visit puddling sites during the heat of the day, typically between 10 a.m. and 2 p.m. You can help attract butterflies by sprinkling a little sea salt in a small puddle. Now sit back and watch to see if any of these beautiful pollinators visit your butterfly puddle!
