

National Hobby Month

January is National Hobby Month.

Between January 1st to 31st, earn 1 hour of community service by creating a Google slide telling us about your favorite hobby and submitting it to ehughes@shpl.info. Please be sure to include what your favorite hobby is, why you enjoy it and a photo of yourself doing the hobby - **You must be in the photo in order to receive community service hours (stock photos from Google/the internet will not be accepted)**, and your FIRST NAME ONLY somewhere on the slide. All files must be emailed as a JPEG, PNG or PPTX - all other file extensions will not receive credit. In the body of your email, please include your first and last name so a certificate can be created for you.

Not sure what it should look like? Scroll down to see an example of what we are looking for.

All emails must be sent on/before Monday, January 31st to receive your certificate.

All certificates will be emailed out on/before February 8.

A maximum of 2 hours may be earned for this opportunity for the month of January.

National Hobby Month

From Liz

One of my favorite hobbies is hanging out with my friend Finn.

He makes me smile each and every day.

Taking care of him reminds me to enjoy each and every day.

When he's playing, I remember how important it is to laugh.

And lastly, when we go on walks, it gives us time to be outside and just unwind from the day.
