

National Library Lover's Month

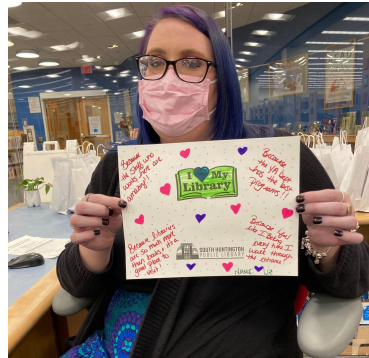

February is National Library Lover's Month!

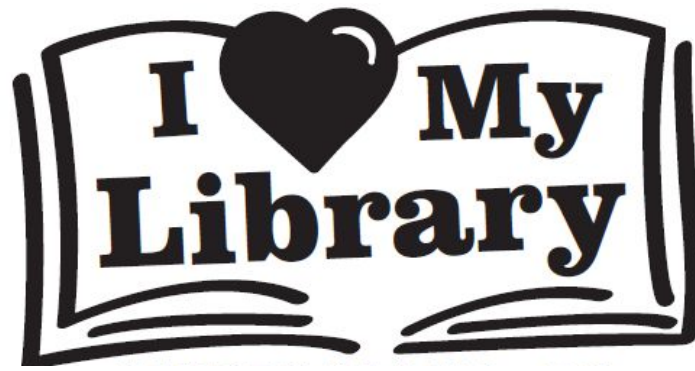

From February 1st to 28th, earn one hour of community service by telling us what you love about your library!

Scroll down and print out the template on the next page. Decorate the whole thing, using at least 3 different colors (markers, crayons, colored pencils, etc) or more, and write down a **minimum** of 4 reasons of why you love your library. Also please include your **FIRST NAME ONLY** at the bottom of the page. Then send us a pic of you holding the completed project to ehughes@shpl.info on/before Monday, February 28th to receive your certificate. In the body of your email, please include your first and last name so a certificate can be created for you.

All certificates will be emailed out on/before March 8.

A maximum of 1 hour may be earned for this opportunity for the month of February.

Name: _____
